

# PROCLEAR® EP FITTING GUARANTEE

As the first and only multifocal lens designed exclusively for the emerging presbyope, ProcLEAR EP has a proven track record of being an easy and successful brand for patients entering the early stages of presbyopia. To see for yourself, trial fit 6 patients with an ADD requirement of less than +1.25 in ProcLEAR EP between now and October 31st. We guarantee at least 5 patients will be successfully fit. If not you will receive 3 free ProcLEAR EP fits.\*
