

Hydrasoft® Toric/Options Contact Lenses

Soft contact lenses for those with even the most challenging prescriptions

OVERVIEW

If you have astigmatism and thought you'd never be able to wear soft contact lenses, look into Hydrasoft Torics. Custom-manufactured according to your specific prescription, they give you the most precise fit possible while enabling you to see as well or better than glasses or hard contact lenses. More than 13 million available prescriptions ensure the most precise vision correction possible. Plus Hydrasoft Toric lenses are easy to handle, highly durable and extremely comfortable.

Hydrasoft Toric Options lets you enjoy the benefits of quarterly lens replacement while still enjoying exceptional vision correction and comfort. You get the same classic Hydrasoft Toric design with the convenience of a quarterly replacement regimen.

AT A GLANCE

- ▶ Soft contacts for even the most challenging astigmatic prescriptions
- ▶ 13 million available prescriptions
- ▶ Excellent vision quality
- ▶ Outstanding comfort
- ▶ Yearly or quarterly replacement
